Ellen Lovelace

Dear Sir:

In compliance with the duty of disclosure under 37 CFR §1.56, and in accordance with the practice under 37 CFR §1.97 and §1.98, the Examiner's attention is directed to the documents listed on the enclosed modified Form PTO-1449. No inference should be made that the cited references are in fact material, are in fact prior art, or that no better art exists. The cited patents are listed in numerical order and are not in any order based on their pertinence.

The information contained in this Fifth Supplemental Information Disclosure Statement was submitted to the Canadian Intellectual Property Office under Section 34.1 of the Canadian Patent Act in connection with Applicant's Canadian Patent Application No. 2,262,972 by J. Kevin Wright of Davis & Company on behalf of Micro Health Solutions on October 7, 2005. A copy of the cover letter by which Davis & Company submitted the information to the Canadian Patent Office on October 7, 2005 is enclosed. Applicant became aware of the information submitted by Davis & Company by virtue of the notice that was mailed to Applicant's Canadian representative on October 20, 2005, a copy of which is also enclosed. The submission filed by Davis & Company included many references that were previously disclosed in this application pursuant to a Supplemental Information Disclosure Statement filed on July 6, 2004. The information submitted with this Fifth Supplemental Information Disclosure Statement includes only the information in the submission filed by Davis & Company that was not already of record in this application.

180.00 OP

This Fifth Supplemental Information Disclosure Statement is being filed after the mailing date of a Final Action under 37 CFR §1.113.

It is hereby certified that each item of information contained in this Fifth Supplemental Information Disclosure Statement was cited in a communication from a foreign Patent Office in a counterpart foreign application not more than three months prior to the filing date of this Fifth Supplemental Information Disclosure Statement. A copy of that communication is submitted herewith (37 CFR §1.97 (e)(1)).

Accompanying this transmittal is the \$180.00 fee set forth in 37 CFR 1.17(p) for submission of an Information Disclosure Statement Under 37 CFR §1.97(d).

It is respectfully requested that the above information be considered by the Examiner and that a copy of the enclosed Form PTO-1449 be returned indicating that such information has been considered.

Respectfully submitted,

Randall C. Brown
